Bank of San Francisco Announces Date and Time of its 2020 Annual Meeting of Shareholders, to Be Held Virtually, via Teleconference

SAN FRANCISCO – August 7, 2020 – [Bank of San Francisco, \(OTCQX: BSFO\)](#), the modern Bay Area community bank that supports the entrepreneurial goals of people, businesses and nonprofits, announced today the date and time of its 2020 Annual Meeting of Shareholders.

Bank of San Francisco’s 2020 Annual Meeting of Shareholders will take place at 5:00 p.m. PDT on Tuesday, September 22, and will be held virtually, via teleconference.

Due to the COVID-19 pandemic, and current shelter-in-place orders in California, the Bank’s Executive Management does not feel it is in the best interest of its shareholders or staff to hold an in-person meeting. The meeting will therefore be held virtually, via teleconference, at www.meetingcenter.io/251535368, with the password BSF2020. The Shareholder Meeting Notice, which was recently mailed out and should arrive shortly, also provides instructions for how to attend the meeting via teleconference. The control number, which is required to attend the meeting virtually, is located in the gray circle on the first page of the Shareholder Meeting Notice and Annual Meeting Proxy Card. Shareholders will be able to vote during the meeting and ask questions following the close of the regular meeting, all virtually.

The Bank utilized Computershare’s online document hosting this year, which allows shareholders to view the Proxy Statement, Proxy Card and 2019 Annual Report through the investor voting website. Instructions to review these materials are included on the Shareholder Meeting Notice that was mailed out to shareholders. If you would like to receive a copy of the proxy materials hosted online, the Shareholder Meeting Notice provides instructions to request copies by internet, phone and email. Proxy voting this year will be similar to years past. You may vote online, by phone, or by mailing in your Proxy Card, the latter of which includes instructions for all three options. We encourage you to vote as soon as you have received your proxy materials.

“The safety of our team and shareholders is our top priority right now,” said Ed Obuchowski, CEO of Bank of San Francisco. “We look forward to the day when we can all be together in person, again.”
