5-Star Bank of San Francisco Banking on a Better Future Together

June 2018: BAUERFINANCIAL, Coral Gables, Florida, the Nation's Premier Bank Rating Firm, is proud to announce that **Bank of San Francisco, California** has once again secured its highest, **5-Star** rating. (A five-star rating indicates the bank excels in areas of capital adequacy, profitability, asset quality and much more.) In fact, Bank of San Francisco has earned and maintained this top 5-Star rating for 9 consecutive quarters.

Like Bauer, regulators agree that smaller institutions “are often better positioned than larger institutions to understand and quantify local real estate market values since they serve a smaller, more defined market area.” – Federal Register, June 9, 2018. “It makes perfect sense; local people who know the area are making local decisions based on that knowledge”, agrees Karen L. Dorway, president of BauerFinancial. “Community banks, like Bank of San Francisco, are banking on a better future together with their community.”

Established in 2005, Bank of San Francisco has been investing in the future of its community for 13 years. Today it operates through its conveniently located office on Market Street in San Francisco and can also be found online at www.bankofsf.com.
